NOTE FOR: D/DCI/NI

CIA/DDI components (specifically, OER's Trade and Aid people) have been using these reports to publish in the NID, and a draft is in process now on the subject of Soviet, Chinese, and other communist aid to the Zimbabweans and Mozambique. I'd suggest this might make [] annex that

STAT [] could call attention to. The subject does not seem, at this juncture, to call for a full-blown Community assessment, but I agree we need to keep an eye on it.

Are you preparing a round-up memorandum for the President-elect or for the DCI on the subject of Soviet military and political assistance to Mozambique? We continue to get reports about this situation which worry me.
